

Ode to the Oddities of Outing a few Ornerly TDCJ Outlaws

by Michael G. Maness, August 2019

When Deep State Sinecures Secure their Sycophants,
Sicken the Salubrious, Slam the Sane,
Censure the Sincere, and
Sign off on the Stupid and the Sorry—

It is **TIME** to Tell the Truest of Terrifying Tales with Trimmings made
to Tickle the Timid, Taunt the Tall, Tease the Trophy Hunters, and
Table the Treasonous with Tightly Tendered Tenacious Truths.

So ... I interject Lamenting Lampoons, Pugilistic Puns, and Cornering
Caricatures to Captivate the **COURAGEOUS** and Capture **CHICKENS**.

Only Some Stunning Satire Seemed Suited to Season and
Solicit the Serious to Sagaciously Search for Certitude.

TDCJ Top nachos have Tenaciously Tethered their **TENURE**
to Too many Timid Tomcats, Tired Turtles, and
Tricky Turncoats to Truly Turn the Tearing Tide of Treason.

Unfortunately, Not Understanding the Uber-Underrated may
Unwittingly Unleash **MORE** Underachiever Promotions.

Finding Fun in Unfolding Felonious Failings by Forcing
Funny Puns, Furling Forfeitures of Honor, and
Fearlessly Foraging Unsolved Mysteries

Foretells a Fantastic Future for the Finest of Fair Dealers.

Perhaps this **PUN**ishment will Provide the Pespicious with a
Potency to Persuade and Propel the Powerful to **PROPERLY** and
Passionately **PURSUE** Unperturbed their Purported Purposes.

Regardless, Reining in the Rotten, Raining down Recollections, and
Running fast toward Regulating the Ruinous has
truly made the Chaplaincy Raison D'être Resoundingly Rise.

Prison Chaplaincy is the Profession Providing Pastoral Care in
Palliation of the Pain of Prisoners, Prayer for the Spiritual, and
Paving a Path for Precious People to find their Purposes.

The Following—and Above—is NO Facetious Feast of Fallacies, and the
Phonies herein Punned need a very Prescriptive Pruning by
Those Powerful enough to **PURSUE** a Perfected Peace
among our Precious and Principled Personnel in our Prisons.
