Dear Bill Glass Ministry, or to whom it may concern
 Greetings. I pray your ministry is
 blessed in all you do. I'm writing in urgency to
 response to the government and their desires
 to stop all Chapel classes and do away with
 all Chaplains in prisons in Texas. I'm writing
 for prayer response in this matter and a
 possible letter response to the Congressmen.
 This decision is supposed to be made in
 a matter of two weeks. Any outside exposure
 or help in this matter is greatly appreciated.
 Our Chapel classes & Chaplains are vital to
 inmates in ~~the~~ our recovery and rehabilitation of
 sin and bad choices. I fear the end result if
 this were to happen. So many lives are saved
 and so many people are made aware of Christ and
 His will for us through the chapel. Any kind of
 help especially prayer is vital and urgent in this
 matter as well as greatly appreciated. Thank you
 in advance for your help, as I know your
 ministry helps so many and am sure
 understands the urgency and need in this letter.
