Field Ministers in the making.

Dear Friends, you are part of discipling and educating men and women through 42 Christ-centered courses in the Bachelor of Arts in Applied Ministry and sending them all as Field Ministers to care for others who will one day return to our neighborhoods. For 12 years, you have given so that we could go and send others into the field.

Sustain the work through your giving.

Graduation, Heart of Texas Foundation College of Ministry at the Memorial Unit!

**HEART OF TEXAS FOUNDATION
COLLEGE OF MINISTRY
CLASS OF 2022
(Graduation: December 2023)**

Dear Friends and Supporters,

It is a joy to say, "We need your support now more than ever." Why? We are allowed to take the gospel and heart of our Lord Jesus Christ deep into the Texas prisons system. There are two reasons for our excitement! First, we are now training women with extremely long prison sentences to become Field Ministers. Our women's college campus is at the women's Hobby Unit in Marlin, Texas. The women have just begun their sophomore year as they study to earn the Bachelor of Arts in Applied Ministry. Lord willing in December 2025, the historic first class of women Field Ministers will go out in teams to begin serving their peers—to seek out the hopeless, the lost, the forlorn who need to talk to a peer who knows the good news of Jesus Christ. Second, we continue into our 13th year of training Texas men with extremely long prison sentences to take the gospel of Jesus Christ into the mission fields of the men's prisons. Please visit our website and learn more about the true miracle of the Field Ministers.

With your help, we have never fallen short of our budget needs year after year for 13 years. We need your help now more than ever. Over 200 men and women are studying daily at our two college campuses preparing to become Field Ministers. Our neighborhoods, towns, and cities need Field Ministers to reach those who will be released from prison. Your financial support directly impacts the safety of your family.

Please continue to tell others of our work. Continue to support us with your prayer and your giving as our God makes it possible for you to do. We trust him in all things.

In Christ whom we serve,
